Specifications are subject to change without prior notice.

- **Re-manufactured in our factory.**
The truck is stripped down to the chassis then rebuilt using only new or reconditioned components.
- **Proven throughout Africa.**
SAMIL 20's are currently in use across the length & breadth of Africa in Mining companies, Governments, and NGO's.
- **"Go-anywhere" capabilities.**
With Diff Locks on both axles & transfer box, plus a ground clearance of 460mm, the SAMIL 20 can go almost anywhere.
- **Inter-changeable Load Bodies.**
The 3m load bodies are attached with container locks, allowing for one truck to be used in multiple roles.
- **Supply of spares guaranteed**
Our "in-house" spares division "**Black & White Truck Spares cc**" specialises in the supply of all spares for the SAMIL / Sakom / Samag family of trucks.
